1		WECOME TO SEED	(Skill Employment and Entrepreneurship Department)	The Skill, Employment & Entrepreneurship Department (SEED) of the Bodoland Territorial Council (BTC) in India is responsible for the development of skills and employment opportunities for the people living in the region. The department's goal is to provide training and support for various trades and industries, as well as to promote entrepreneurship and self-employment. It works with various government and non-government organizations to provide employment opportunities and skill development programs for the people of BTC. The department also provides financial assistance to entrepreneurs and start-up companies to help them establish their businesses.	2023-03-29
